

# I'm serving with InFaith this summer!

Dear Friends and Family,

Hi! It's Brooke Fulp, and I have been given the opportunity to be a Summer Missionary at Forward Bible Camp this summer.

I have grown up going to camp, and I am super excited to spend my summer there. Last summer I was a summer missionary, and I had so much fun sharing my faith with those around me. While I was there, I led a chapel session on Daniel 3 and encouraged the campers to stand together to stand up for God. Being a part of their walk with the Lord is truly an amazing experience. I am very excited to see what God has for me this summer.

I would love if you would pray for me this summer. Please be praying that God will guide me and that my relationship with the Lord will grow so that I will be able to share His love with those around me. I am working with the mission organization InFaith and will be based at Forward Bible Camp with the Morris Family.

If you would like to give towards my Summer Mission Project, I would be very grateful for your support. By supporting me you are giving me the resources to serve at camp which will give me the opportunity to share God's word with others. If you would like to support me you can go online to <https://infaith.org/ministries/brooke-fulp> and give towards my Summer Mission Project.

I am encouraged to see what God has for me and I am very grateful for your prayers and support.

Thank You!

Brooke Fulp

## More about InFaith

The mission organization I'm serving with, InFaith, has been around for over 200 years. (They used to be called American Missionary Fellowship and before that, American Sunday School Union.) They are moved by the call to reach locally right here in the United States. Every year, InFaith has summer missionaries, like me, who serve alongside InFaith missionaries in order to get a taste for ministry within the United States and extend InFaith's reach into the often-overlooked areas of our country where the light of the gospel needs to shine.
