

Forward Bible Camp (FBC) fees are subject to change year to year. A contract signed by both parties and deposit reserves your dates and locks in your price. Deposits are not refundable. The following cost per person includes use of sleeping accommodations, outdoor dining, game room, fire circle, chapel, basketball court, mini-golf, and disc golf.

We require an accurate number a week out from your group arrival. Your group will be charged for this total even if fewer guests show up and extra guests will be charged an additional 20% each.

Partners

We love working with our partner churches and ministries, so contact us about discounts and waived minimums for ministries that support camp and its missionaries (financially and through volunteers).

Pool

Additional staff and fees are required for the pool.

\$50 per day used.

Lifeguard fee (when provided by FBC): \$50 per hour per lifeguard.

Pool max is 40 with 2 lifeguards and 25 with one lifeguard.

There is a possibility that we can't get the needed volunteers to run the activities you would like when you would like them. We encourage groups to get their own lifeguard (currently certified) so that you can have the pool when you want, as often as you want, without lifeguard fees.

Store

Our camp store has camp merchandise as well as candy and soda. If you would like us to open the camp store, please let us know when you send in your contract.

Deposits and Final Payment

Deposit: 20% of total cost is required at booking (non-refundable)

Final payment: Full balance and a refundable security deposit (10%) are due on or before arrival. The security deposit will be refunded at the end of your stay if camp is left clean and undamaged.
