

Family Camp 2020

We want your family to get the relaxation, enjoy the calm quiet, and experience the fun of camp. From the beautiful 150' tall trees, to the dark night sky filled with countless stars, to the fresh mountain air; camp is a great place to spend some quiet time, hang out with your family, and talk to God. Camp also has a lot of great activities, including: fooseball, 9 square, mini golf, disc golf, basketball, volleyball, and swimming in the pool. Included in family camp this year is a devotional focused on your family growing closer together and with God. Each night you and your family can spend time around a fire with worship led by Jake and Sheri Koder.
